

Welcome ZooEz Families!!

Welcome to the 2024 Season!

As we prepare for the upcoming season, let's first answer some frequently asked questions to ensure you have all the information you need! Please find information below. If you do not see the information you need, please CALL OR TEXT Coach Cole Reed @ 7023065552 -OR- EMAIL US AT QUESTIONS@200PERCENTSPORTS.COM.

Q. When do practices start?

A. Practices are on Wednesday and Thursday at Foothill HS. Practice information is updated regularly through the GROUPME app communication. If you are not currently receiving messages and have not been added to GROUPME, please text Coach Cole Reed at 7023065552 and ask to be added.

Q. How much is registration and what are the fees associated that are expected?

A. Registration is \$235.00. These registration fees cover equipment, two sets of complete uniforms, gloves, helmet, backpack, and administrative costs.

Q. Will there be other fees throughout the season?

A. Yes. Monthly dues are required for all players, January through June of 2024. Monthly dues are \$25.00 and due on the first of the month on 200percentsports.com. Your player's monthly dues must be up to date to be eligible to participate in games and events.

Q. Do you accept payment plans?

A. Yes, please contact Coach Cole Reed at 7023065552. All registration fees must be paid prior to January 20th, 2024.

Q. Can a sponsor be obtained to cover registration and monthly dues, if I can't afford fees?

A. YES!! Absolutely. We encourage EVERYONE to seek sponsors! Most businesses sponsor and/or family members! You are even welcome to take multiple sponsors if needed. If a donation of \$500.00 or more is donated (or multiple donations totaling over \$500) to your player's (one player) registration – your registration and monthly dues can be waived. The person or business who sponsors, will receive a tax-deductible donation receipt for their tax purposes. Please contact Wesley at 7023324040 or email questions@200percentsports.com for more information or documents to provide to businesses for validation. 200 Percent Sports Inc is a valid 501(c)(3) organization.

Q. What tournaments will be on the schedule for 2024?

A. The exact schedule will be provided by the 200 Percent Sports staff as we get closer to 2024.

Q. Will we travel to other areas?

A. It is possible that your player may be traveling. The requirements for the 2024 season to travel on the competition squads will be reviewed by your team coach. For more information, please text/call Coach Cole Reed at 7023065552. (Continued – Next Page)

The requirements a player must meet to qualify are a combination of Attitude/Behavior, School and Practice Attendance, Grades, and Practice Performance. The 200 Percent Sports staff will determine who qualifies prior to each month and notify the parents directly.

Q. Will my player get to choose their position, and will they play in games?

A. 200 Percent Sports Inc is not a “pay to play” organization. We believe and teach that your positions are earned and chosen based on your performance, safety, and ability. Players will play in game time situations based on their ability to meet the qualifications of their Attitude/Behavior, School and Practice Attendance, Grades, and Practice Performance.

Q. Why should I register if I don't know if my player will play in games?

A. You are not registering so your player plays. You are paying for training and the experience we provide for your players to grow and gain skills. Whether or not your player, plays, is up to the amount of effort your player is willing to give in all areas of their life, and how dedicated they are to their own success.

Q. When will practices be, and where will they be at?

A. Practices are always in the Henderson area. Times and days are most often mid-week and in the evenings. Practice attendance is a requirement to attend tournaments and compete. Exact times and days are regularly updated in the GROUPME app. To be added to this team communication please text/call Coach Cole Reed at 7023065552 and ask to be added.

Q. What are the events we will possibly be attending and what are the dates?

A. The following dates have been tentatively planned (other dates and events could be added):

- SHOOK Bullhead, AZ 1/27/24 & 1/28/24
- SHOOK Henderson, NV 2/17/24 & 2/18/24
- PYLON Mesquite, NV 2/24/24 & 2/25/24
